Fast Facts: Pediatric Nutrition & Cerebral Palsy Independent, free **CME accredited e-learning course**

Developed by professors Koen Joosten and Koen Huysentruyt

The course provides HCPs with an overview of malnutrition in children with cerebral palsy (CP) including strategies to screen, identify and nutritionally manage malnutrition and feeding challenges

By the end of this course, you will be able to:

- Identify and screen for malnutrition risk in children with cerebral palsy (CP)
- Recognize common causes, consequences, and feeding difficulties
- Identify appropriate feeding strategies
- Support nutritional care as part of a multidisciplinary team

Accredited by the European Accreditation Council for Continuing Medical Education (UEMS-EACCME®) with 0.5 **European CME credit** (ECMEC®)

Reviewed and approved by **ASPEN**
(American Society for Parenteral and Enteral Nutrition)
